

Tours & Public Consultation Program // Our Pricing

Binners' Project delivers community economic development programs to provide job skills and opportunities for marginalized people in Vancouver's Downtown Eastside.

	Tours	Panels, Speeches & Workshops
Rates	\$20/hr per tour attendee Minimum \$400	\$270 min. flat rate Up to 90 minutes

Tours: Binners' Project works with partners and binners to tailor a tour that suits your needs. We are able to speak to a variety of topics including: local economy and resiliency, local poverty reduction and grassroots action, waste management and supportive employment in the DTES, sustainability and social enterprise. Get in touch with us if you have a new idea!

Panels, speeches and workshops: we are happy to participate in panels and workshops where binners can offer their perspectives and insights into topics most relevant to them. We have a standard flat fee and we work case-by-case to assess how we can mutually support communities, schools and partners.
